"A Safe Haven to Heal In Love"

An invitation from Kahu Fred Sterling

Dear Friends,

The past year has given me a chance to acclimate myself to the new healing energy of Hawaii (the mountain tops of ancient Lemuria) and its role in this Great Shift in Consciousness. As a result I found myself answering a call to open the doors of Honolulu Church of Light to the public once again on the World Wide Web. This time with a new focus on self-love and the miracle healings that can come about from loving the self enough.

I want to acknowledge those that held the energy of Honolulu Church of Light during my absence from the beauty of Lemuria. It was a journey of Signature Cell Healing that took me to various parts of the world. Teaching people how to heal themselves and others in love was such a brilliant walk of life. To those that I met along the way you touch my heart deeply. I have learned from you as well.

During my absence, I left the church in the hands of some very capable people and they did such a magnificent job, which led them on their own path to expand their soul journey. Nothing but my sincere congratulations and best wishes to them.

I am looking forward to my new journey as the Kahu for Honolulu Church of Light which will take our healing and teaching in love to new levels for the purpose of aging the soul to achieve new planes of consciousness.

Together you and I will embark on awakening our hearts and mind to our Lemurian legacy for this Great Shift in Consciousness. In the process we will come to know a master healer, Jesus of the Christ Conscious. I have a feeling there is more to uncover regarding his method of healing. How did he allow miracle healings to happen?

I invite you to join me via the internet in the comfort of you own place, or come in person to the church for our monthly Healing Sunday beginning this month.

Date: Sunday, April 10th and thereafter the first Sunday of each month.

Time: 9:00 o'clock in the morning, Hawaii time zone

Place: Honolulu Church of Light
